

Z 30

STARTING PRICE: ₹59 895.00*

**BE INSPIRED.
INSPIRE OTHERS.**

VLOGGERS ASSEMBLE

If you want to film an unboxing selfie video, ASMR series, cinematic footage and more, this camera has got you covered. Film all moments with this lightest¹ camera, specially designed for video creation.

- ▶ **Vari-angle 7.5-cm TFT LCD monitor:** Touch sensitive panel enables a smartphone-like UI, great for selfies with its automatic switch to the self-portrait mode when facing front
- ▶ **Large microphone input:** Capture crisp, delicate sounds
- ▶ **Photo/Video selector:** Switch easily between photo and video, keeping the respective settings for each mode
- ▶ **Compact size and weight:** Weighs only at around 350g² and measures 128 × 73.5 × 59.5mm
- ▶ **Customisable buttons:** One click to access your favourite setting with ease
- ▶ **Ergonomic grip:** Go on a long video shooting day with comfort
- ▶ **Movie-record light:** Easily recognise when recording mode is on

¹ In the Nikon Z series, as of 29th June 2022.

² Camera body only.

FILM IT YOUR WAY

Film your video fast, slow, long, short, wide, narrow, or in any way that suits your needs.

It's a long story

Let the story go on and on for up to 125 minutes³, saving you time and effort of combining multiple short recordings.

See the bigger picture

Take 4K UHD videos⁴ with approximately 100% angle of view. Ideal for filming in narrow spaces or when taking a cinematic or vlog selfie.

³ In Full HD/24p/25p at 25°C/77°F. The camera's ability to always achieve the full 125 minutes is dependent on conditions like battery life or the camera's internal temperature. Approx. 35 minutes of recording time is available in 4K UHD.

⁴ APS-C size/DX-format.

Dramatise the moment

Tell your story in slow motion with Full HD/120p to emphasise on a specific detail at your own pace.

Morning

Go bold, get creative

Apply in-camera colour filters “Creative Picture Control” and preview it on the monitor while framing. What you see will exactly be what you get.

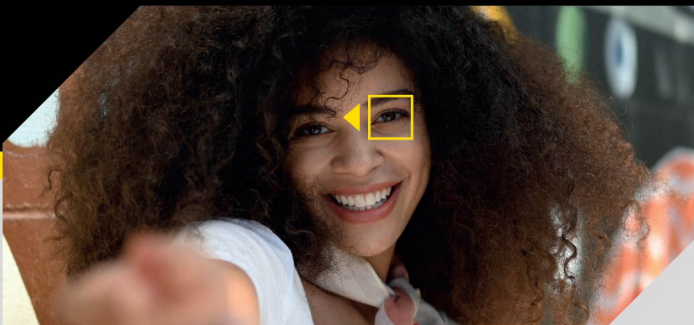

Up the game

Pair your camera with the SmallRig tripod grip 3070 (ML-L7 set)⁵ and SmallRig Wind Muff 3859 to get even more creative.

⁵ Attachable lenses are limited to those of 1.5kg or less including the camera body. Please note that when using a tripod, depending on the lens and conditions, it may become unstable even within the load capacity and might fall over.

DON'T STRESS IT, YOU'VE GOT IT ALL

However you want your photos and videos to be, make them sharp and clear.

The eye-catching feature

Be it your eyes, or your pet's eyes, the Eye-/Animal-Detection AF enables auto detection for both videos and stills, so you can make sure the subject acquires a sharp focus.

Stay focused, your way

Have the focus firmly locked on your subject as it moves around throughout the whole video with full-time AF mode dedicated to videos.

More focus modes, AF-A⁶, AF-S, AF-C, and MF, are available for your intended subject tracking and intended creative expression.

Keep it clear in the dark

Shoot stunning moments indoors, on rainy days, and in other low light environments. Keep them sharp and clear with minimal noise with a maximum sensitivity ISO of up to 25600 for videos, and up to 51200 for stills.

1 out of 11

Capture up to 11 continuous⁷ still images within one second, turning one single action into a sequence of pictures to make sure that you can capture that one instant moment.

⁶ Only for stills.

⁷ With the Continuous H (extended) mode.

DON'T JUST STOP HERE...

Enhance your creation with a range of Nikon products.
